

RepRap G3D Modifications

Author: *Jeremy Bruck*

Date: *Nov 22, 2014*

If you found this part useful perhaps you would be interested in the other parts that I have created for my RepRap G3D (Prusa i3 design from [Gadgets3D](http://www.gadgets3d.com)) 3D printer. These are available at [Thingiverse](http://www.thingiverse.com).

Adjustable Z-Axis Endstop

Filament Spool Holder

Glass & Heatbed Clips

Y-Axis Tensioner

Z Rod Caps

Filament Guide
